## 2021 CATERING GUIDE

Thank you for your interest in our catering services. We are flexible with menu and event design, so feel free to ask for substitutions and custom designed menus. Included with all of our menus are our Coordination Services. We have been hosting events for over forty years and would be happy to share our experience and expertise with you to help make your event perfect!

Our menus are subject to the following:

- All sample menus are priced for on-site events at the Narragansett Inn.
- We are able to offer buffet style events with no size restrictions. We are only able to offer plated style events for groups of thirty or fewer guests.
- Catering Guide menus include plates, glassware and silverware for groups up to 100 guests. For groups over 100, you will need to arrange for all serviceware through an outside vendor.
- Catering Guide menus include the use of the furniture inside and on the decks. Any additional furniture, décor & ceremony seating would need to be arranged through an outside vendor with prior approvals.
- Table linens and napkins are not included in our pricing and we do not have them available. You will need to arrange for these through an outside vendor.
- 7% Sales Tax & 1% Food & Beverage Tax
- 20% Service Charge (with a minimum of \$30 per hour per server) for any events that require bar and/ or serving staff. The service charge is not a gratuity. Staff is paid an hourly wage.
